Description

Graceful loops, plumes of exquisite curls, and a belted frame are this hanging linear island chandelier's signature. Highly versatile piece blends both masculine and feminine elements, working wonderfully in any indoor environment. Ideal for striking a balance between strength and elegant beauty. Encased in attractive clear glass cylinders, crafted layer by layer and individually handspun by master glassblowers for a delightfully smooth touch. Clear glass maximizes light output for an optimally bright ambience and surrounds light bulb (sold separately) for added protection. Dazzling vintage filaments are a perfect complement to this piece. Evoke nostalgic beauty and showcase a unique, electrifying look by pairing this piece with antique light bulbs (sold separately). This fixture is conveniently compatible with all antique light bulbs with a standard medium base. Feel confident in your choice of combined contemporary and classic elegance. Delight in transitional design that complements surroundings and décor with the best of both modern and traditional elements. Complements dining rooms, kitchens, restaurants, and many other indoor areas. Flawlessly and evenly finished in rich antique bronze.
