## Description

Treat yourself to this indoor wall sconce or wall mount refreshed contemporary elements. Airy, etched white cased glass globe rises with curved elegance, set like a magnificent pearl. Etched white cased glass shines with a stunning radiance reminiscent of glowing moons. Handcrafted by master craftsmen, it glows bright in perfect uniformity, emitting an ethereal, serene ambience and capturing an immaculate glow throughout the glass. Enjoy phenomenal long-lasting color that will never fade from cleaning or sunlight. Glass color is always non-painted and 100% natural, inherent to the original sand pigment from which it was created. Illumination mechanism is sure to impress with its stunning, unique look. Round glass spheres exude stylish retro chic. This versatile light can conveniently mount up or down. Install upwards for an uplight configuration or downwards for a downlight configuration. Feel confident in your choice of combined contemporary and classic elegance.
