Because Lighting Speaks Volumes

Description

This integrated LED indoor brushed nickel mini bare hanging pendant features a wide assortment of stylish shades (sold separately). Easily pair this piece to any Volume Lighting mix and match shade to create your own custom, unique look. Go green and save big. Environmentally friendly integrated LED requires substantially less electricity to maintain, passing down cost-cutting savings to you. Indulge in this piece's contemporary design. Clean, minimal, and solid color design blends in seamlessly with surroundings and existing décor. Compact light fits easily in small spaces. This versatile mix and match pendant complements stainless-steel appliances, kitchens, islands, dining rooms, bedrooms, living rooms, hallways, bars, restaurants, and many other indoor areas. Suitable for dry locations only. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with brushed nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
