Description

Handsome, sophisticated hanging mini pendant ideal for creating a magical ambience. Encased in elegant rounded cylindrical etched white cased glass. Individually handspun by master glassblowers, glass is crafted layer by layer into a flawless multi-layered cylinder with a delightfully smooth touch. Enjoy phenomenal long-lasting color that will never fade from cleaning or sunlight. Glass color is always non-painted and 100% natural, inherent to the original sand pigment from which it was created. Illumination mechanism is sure to impress with its stunning, unique radiance. Light diffuses within multiple layers instead of simply filtering light through. The entire glass shade glows bright in perfect uniformity, emitting an ethereal, serene ambience and capturing an immaculate glow throughout the glass. Thickness and weightiness from multiple glass layers ensures long-lasting durability. Stand out with this breathtaking, one-of-a-kind chained swing light fixture. Uniquely placed light simulates a perched candle that captures a vibe of esoteric serenity reminiscent of eras past. Flawlessly and evenly finished in a rich walnut color individually handpainted by master artisans. Complements islands, bars, dining rooms, kitchens, restaurants, and many other indoor areas. Accent your spaces with this warm, magnificent piece.
