## Description

This 52 in. indoor antique bronze hugger ceiling fan makes it easy to decorate with exquisite style. Elegant fan features an integrated light kit, white alabaster glass bell-shaped bowl, and rosewood/walnut reversible fan blades. Included light kit contains light bulbs and an elegant bell-shaped alabaster glass bowl. Alabaster glass features beautifully unique patterned swirls. Thick and durable, alabaster diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Fan blade position is interchangeable and offers remarkable versatility for interior design. Each blade comes in a refreshing, brilliant rosewood color on one side and in a rich, sophisticated walnut color on the other side. Change up your spaces by flipping the blade color for a new look. Experience the superior quality of high-grade silicon steel. Silicon steel's high efficiency and quiet operation are superior to the average cold-rolled steel used in other fans. Quickly and easily change the direction of fan blade rotation with the flip of a switch. Integrated switch allows for convenient reversal of fan blade rotation. Enjoy three fan speeds—fast, medium, and slow. Different speeds allow for quick and easy change of air flow. Perfect complement to kitchens, living rooms, bedrooms, and many other indoor areas. Suitable for dry locations only. Beautifully finished in a sophisticated antique bronze. Feel confident in a stunning, quality product. Each indoor ceiling fan fixture comes with a limited lifetime motor warranty.

## Specifications

Style	Traditional
Type of Lighting	Indoor Ceiling Lighting
Product Type	Ceiling Fan
Product Subtype	Hugger
Height (in.)	14.25
Width (in.)	52
Length or Extension/Projection (in.)	52
