Description

This integrated LED indoor white convertible under cabinet puck light / display light features a frosted acrylic lens. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Clean, minimal, and solid color design blends in seamlessly with surroundings and existing décor. Compact light fits easily in small spaces. This convertible puck can conveniently mount as a surface mount or recessed light and wires directly to a switch. (Drill a 2.75" hole for recessed mounting. Up to 20 units can be connected together.) Perfect complement to displays, shelves, cabinets, restaurants, and many other indoor areas. Suitable for dry locations only. Finished in solid white. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
