PRODUCT DESCRIPTION

1-Light indoor or outdoor flush mount with clear ribbed cylinder glass shade is suitable for damp or dry locations. Decorative ribbed glass shade provides an even glow to surrounding areas. Enjoy traditional design that complements homestyle décor. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Perfect for dining rooms, bedrooms, and many other indoor areas.
