Description

Enjoy this indoor hanging pendant's traditional, elegant design. Encased in an elegant white alabaster bowl. Alabaster glass features beautifully unique patterned swirls. Thick and durable, alabaster diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. These gorgeous swirls make this alabaster bowl one-of-a-kind. Simple, clean style complements homestyle surroundings and blends in seamlessly with existing décor. Flawlessly and evenly finished in rich antique bronze. Complements islands, bars, dining rooms, kitchens, restaurants, and many other indoor areas. Make this exquisite piece your go-to for classic elegance.
