Description

Enjoy this indoor mini hanging chandelier's exquisite triangular motif. Sleek polished nickel finish flaunts contemporary style on a traditional profile. Stunning prism showcases an incredible illusion of perpetual motion. Strategically placed vertices seem to rotate, but remain stationary. Beautifully finished with polished nickel. Feel at ease with nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Polished to a mirror shine and an immaculately smooth surface by skilled craftsmen. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Refresh décor with delightful geometric beauty. Complements stainless-steel appliances, dining rooms, kitchens, restaurants, and many other indoor areas.
