Because Lighting Speaks Volumes

Description

Sleek, transitional hanging chandelier combines the best of traditional and contemporary artistry. Towering lines gently waterfall into a waved motif with rolling elegance. Frosted glass, handmade by master craftsmen, is sure to impress with stunning, unique radiance. Light diffuses with a foggy effect reminiscent of winter snow. Glass thickness and weightiness ensures long-lasting durability. Beautifully finished with polished nickel. Feel at ease with nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Polished to a mirror shine and an immaculately smooth surface by skilled craftsmen. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Complements stainless-steel appliances. Accent your spaces with this subtly gentle piece.
