Because Lighting Speaks Volumes

Description

Gorgeous arches and graceful curves capture refined, contemporary elegance in this indoor hanging pendant. Encased in an elegant white alabaster bowl. Alabaster glass features beautifully unique patterned swirls. Thick and durable, alabaster diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. These gorgeous swirls make this alabaster bowl one-of-a-kind. Uniquely designed hanging loop beautifully complements arched motif with matching outward curves. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Complements stainless-steel appliances, islands, bars, dining rooms, kitchens, restaurants, and many other indoor areas. Make decorating effortless—own this sleek, stylish piece today.
