1-Light Integrated LED Indoor White Aluminum Linear Under Cabinet Display Light with White Acrylic Lens / Tube

Because Lighting Speaks Volumes

Description

This integrated LED indoor white aluminum linear under cabinet display light features a white acrylic lens / tube. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Clean, minimal design blends in seamlessly with surroundings and existing décor. Composed of aluminum, a corrosion-resistant material. Feel at ease with aluminum's high resilience, lasting quality, and inability to rust like steel. Profile is super thin—only .75 in. in height. Perfect complement to displays, shelves, cabinets, restaurants, and many other indoor areas. Suitable for dry locations only. Finished in solid white. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
