Description

This integrated LED indoor or outdoor black aluminum convertible surface mount, flush mount ceiling fixture, wall mount, or wall sconce features a sealed frosted polycarbonate lens cover and round flanged trim. Easily installs into 4" or 3" ceiling or wall junction boxes. Housing and trim features all-aluminum construction. Feel at ease with cast aluminum's corrosion-resistance, high resilience, lasting quality, and inability to rust like steel. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Features cold temperature startup in weather as low as 20°C. Operates up to 80°C. Perfect complement to indoor or outdoor spaces. Enjoy rain or shine—conveniently suitable for wet locations. Compact light fits easily in small spaces. Profile is super thin—only 1.25 in. in height. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Beautifully finished to perfect symmetry by skilled craftsmen. High-quality materials provide phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
