Description

Sleek, modern outdoor cylinder mini pendant with a professional look. Encased in top-quality rounded cylindrical frame composed of high-quality aluminum, a corrosion-resistant material. Feel at ease with aluminum's high resilience, lasting quality, and inability to rust like steel. Power-coated hard surface provides phenomenal long-lasting color and exceptional corrosion/scratch resistance. Conveniently suitable for damp locations. Feel confident in your choice of elegant simplicity. Delight in clean, minimal, and solid color design that blends in seamlessly with surroundings and existing décor. Offers remarkable versatility for exterior and interior design. A stunning piece that imparts a fresh, rejuvenating, and open atmosphere both outside and within. Change up your exterior spaces with this look, or be unique—bring the outdoor look indoors. Open/uncovered bottom helps prevent accumulation of dust or pests. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Flawlessly and evenly finished in rich, solid black. Modernize your spaces with this smart, bold piece. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
